

Recruitment Notice

Oranto Petroleum Limited, Uganda subsidiary:

Communities / Public Relations Manager

The Communities / Public Relations Manager is responsible for the implementation of the National Content Policy of the company in addition to ensuring the adoption of best practice with respect to Community Liaison and engagement roles and requirements of an Operating Oil explorer in Uganda. This will include the meeting and engagement with indigenous community representatives at all levels and the dissemination of corporate literature to ensure communities and respective representatives and agencies are correctly engaged and informed with regard to company practice, work programs, health and safety directives and environmental best practice. Such information is to be presented in a transparent fashion, openly shared amongst communities and authorities publicly in an accurate and timely manner. The role requires that authorities and local communities alike are provided with information about the company activity and such information is accurate, up to date, and distributed throughout all stakeholders.

The Communities / Public Relations Manager role reports to the General Manager.

Compensation will be determined by the General Manager and will be in line with comparable roles in similar sized organizations locally.

Recruiting throughout 2H of 2018.
