

Recruitment Notice

Oranto Petroleum Limited, Uganda subsidiary:

National Content Officer

The National Content Officer has an assigned responsibility to ensure the National Content Policy defined by OPLU is fully executed. Reporting to and supported by the Communities / PR Manager or otherwise in his\her absence the General Manager, the role also includes community liaison responsibilities such that we achieve a high standard of accountability to those communities and stakeholders impacted upon by our field operations. In that context the National Content Officer role carries a responsibility for the implementation of the corporate health, safety and environment policies specifically to the field situation and with regard to those communities in that locale.

The National Content Officer reports to the Communities / Public Relations Manager or otherwise in his\her absence the General Manager.

Compensation will be determined by the General Manager and will be in line with comparable roles in similar sized organizations locally.

Vacancy - immediate
